

September 23rd, 2009

Dear Sir or Madame:

I am thrilled to tell you about the exciting new plans already underway for the West Side Children's Museum located in Avon, Ohio. Planning has been in progress for 18 months and exhibit building and fundraising are firmly underway. The new museum is aggressively scheduled to open to the public in early 2010.

The museum's mission and goals are to provide the following:

- To create a location on the west side of Cleveland for tourists and families with children to explore vehicles which stimulate curiosity
- To facilitate learning through hands-on, interactive discovery of the arts, humanities and science
- To target exhibits to reach and appeal to children ranging in age from birth to 12
- To provide an aggressive marketing campaign for our sponsors with a goal of reaching over 1 million households and businesses in the next 60 days
- To provide sponsors with a tax-exempt opportunity to reach millions of potential customers, while helping our community's future through our youth.

I hope you share my enthusiasm for the importance in education for our children, our nation's future. As you know, sponsorship is the cornerstone for a museum's success. As a father of a 4-year old girl, I have a vested interest in giving my daughter, and all children in our region, every possible opportunity to expand their understanding of the world around them in a fun and exciting way, which is the driving force behind the museum's vision. I am optimistic that you will find the cause in alignment with your corporate donation program, and look forward to discussing how together, we can make a difference for our youth.

Please review the included sponsorship package brochure at your earliest convenience, or visit our website at www.explorewithus.org. Feel free to contact me directly with any questions or to secure your sponsorship today. West Side Children's Museum is in the process of applying for tax-exempt status under Internal Revenue Code Section 501(c)(3) and all qualified donations will be tax-deductible upon attainment of such status. Please visit the IRS website for additional information on tax-deductible donations for 501(c)(3) applicants at <http://www.irs.gov/charities/charitable/article/0,,id=164249,00.html>. We welcome contributions of any kind and will gladly construct a customized package to suit your requirements.

I invite you to become part of this exciting ground-floor opportunity for Cleveland's western suburbs. I sincerely thank you for your consideration.

Warm Regards,

Bracken Danielson

Fun-raisers and Giving Opportunities

Our success begins with you!

The ongoing mission for the West Side Children's Museum is to provide state-of-the-art messages and exhibits that allow children to explore, develop and learn in a memorable and exciting environment. Our founding board's belief is that the success in producing healthy and confident young adults that are prepared for the world around them starts at the preschool level. At the same time, offering creative educational parenting tips extends the museum messaging beyond the physical walls and into families' homes.

With your financial support, together we can continue building the dream. Please review our giving opportunities, or contact us with any questions. Visit www.explorewithus.org for more information.

100% of all donations will benefit site renovations, exhibit building, fundraising and advertising.
